MAKE WAY FOR

S.F.A.

*"Oh future bright 'neath the Purple and White,
All hail to S. F. A.*

*'Mid Texas pines we have found peaceful shrines
Where every month is May.*

*Long live our Alma Mater,
Honor to thee for aye.*

*As years unfold, happy memories we'll hold,
All hail to S. F. A."*

Dedication

*There were many boys of S.F.A.
Who were called upon to fight
For something known as the "American Way,"
For Freedom and for Right.*

*They left their school and went away,
Some never to return —
The rest now are coming home to stay,
Again in school to learn.*

*For they have won this second war,
Just as they won the first.
No more obstacles to ruin and mar
Their quest for knowledge, their thirst.*

*Their wills were strong, their vision clear,
They fought to win the peace
With guns and blood and Godly fear,
A terribly hard-earned peace!*

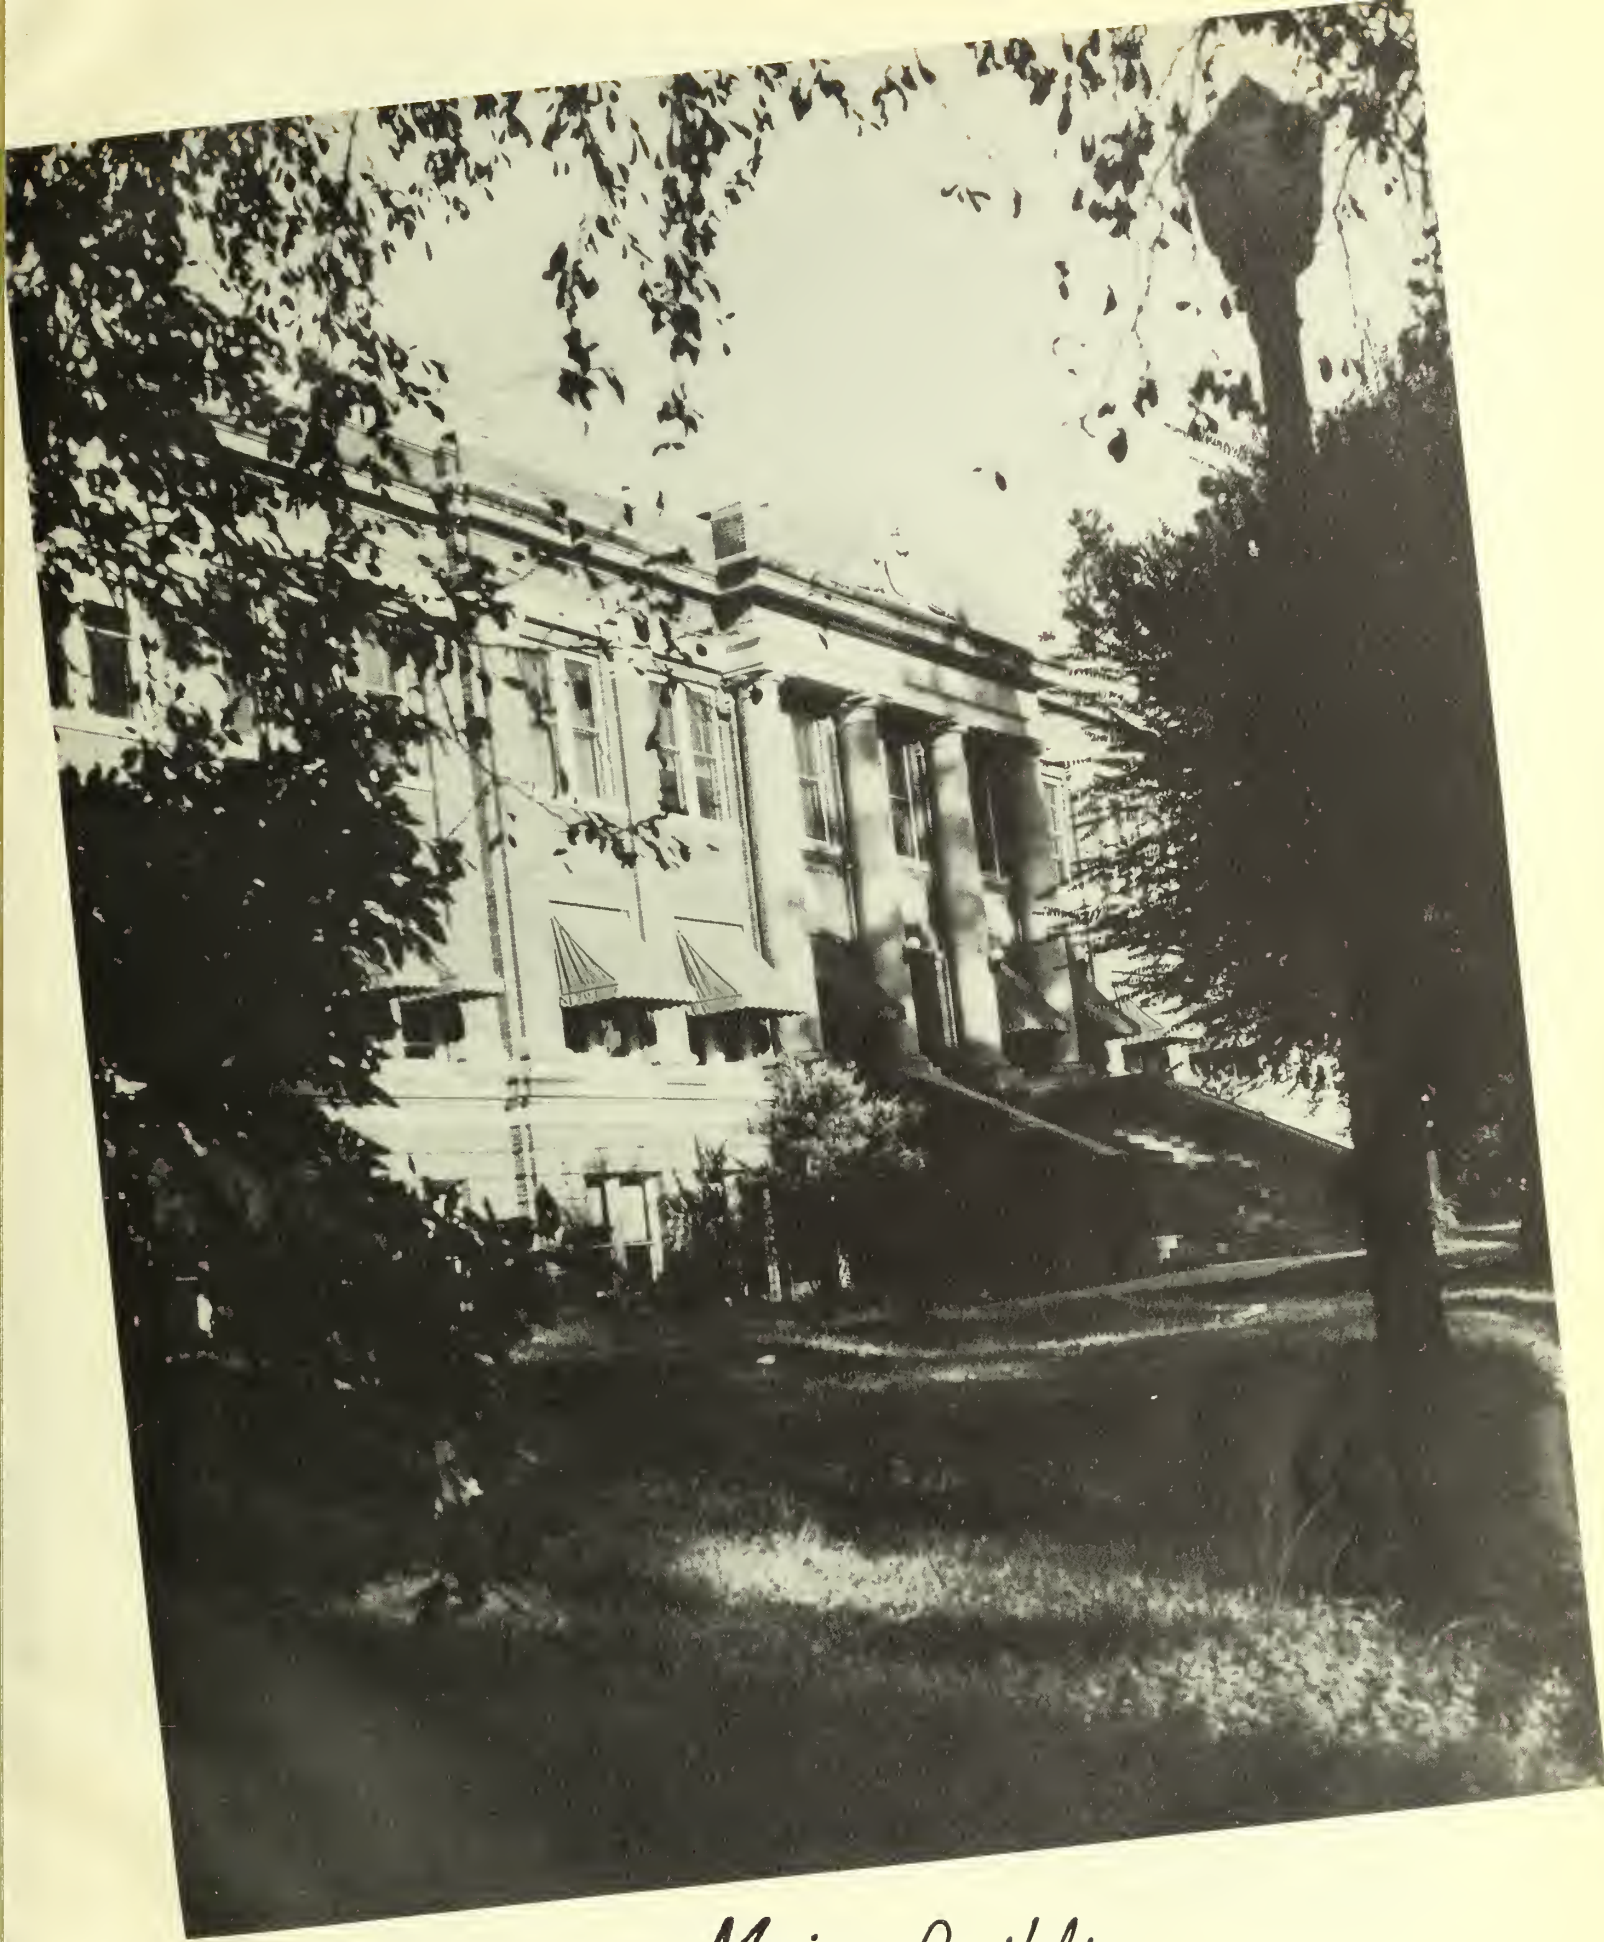

*So to all our veterans we pay proud tribute,
For Democracy will ever live.
To each, and all goes our humble salute,
And with thanks for their work we them give —*

The 1945-46 STONE FORT

In Memoriam

With the death of J. H. Wisely, in May, 1945, Stephen F. Austin lost one of its most honored and best loved members.

He was Auditor of the College and head of the Department of Commerce.

Dr. Eugene A. Heiman, who served as head of the Department of Commerce after Mr. Wisely, was killed in an automobile accident in October, 1945.

The influence of the character and guidance of these two men will long be felt in the College.

JOHN HAROLD WISELY

DR. PAUL L. BOYNTON
President

During these four years of his presidency, Dr. Boynton's influence in advancing the ideals of this college to the oncoming generations has been great.

Whatever our achievements have been, institutionally and individually, all have felt the contact of his personality and progressive spirit.

DR. T. E. FERGUSON
Dean of the College

Dr. Thomas E. Ferguson, Dean of the College, has been one of the motivating forces in the college.

Ever mindful of the needs of the student and the college, he has worked ceaselessly for the good of both.

DR. D. D. GILES
Dean of the Junior Division

The guiding of students in the Junior Division has been the task assigned to Dr. Giles.

He has executed the task with understanding, wisdom and sympathy.

MR. C. E. FERGUSON
Dean of Men

One of the best friends the student has on the campus, Mr. Ferguson is truly a reminder of the atmosphere which surrounds the College.

MISS MARY THOMSON
Dean of Women

Although new to the office this year, Miss Thomson served with poise, understanding, and sincere good nature.

Her guidance of the affairs of women in the college is an inspiration.

MR. W. S. CANNON
Business Manager and Auditor

Mr. Cannon has filled a difficult position with much wisdom and efficiency.

MISS MARY I. LOVE
Registrar

Miss Love has served during this year with efficiency and kind understanding.

Presentation Monday night of acclaimed Noel Coward's rollicking farce, "Blithe Spirit," opened the 1945-46 season of the Stephen F. Austin College speech department. The preview was splendid. The performance is scheduled for Monday at 8 o'clock. The smash hit comedy, which has been a continuous run in England and the United States for the past four years, is expected to be the most talked-of production of the SFA east so far. With the return of Eumey E. Howard, the speech department has hurdled the difficulties of its habit of presenting plays with...

Veterans' Association of S. F. A.

Out of the dawn of the Atomic Age, a new and determined personality emerged upon the American scene—the returning veteran of World War II. Back to their homes and families, to their jobs and careers, back to their college classes came these men and women.

To those veterans, who returned to S.F.A., as well as virtually every other college throughout the nation, complex problems—stubborn barriers to their welfare and rehabilitation, confronted them constantly. Thus, it was out of the necessity to combat this situation that veterans' organizations were born in innumerable American institutions.

The VETERANS' ASSOCIATION OF S.F.A. was formed in February, 1946. Earlier in the year, college officials had corresponded with Brooklyn Polytechnic Institute, which was sponsoring such groups in many schools; and, the necessary information for creating the association was obtained.

A meeting, of all veterans attending S.F.A. at that time, was called for the purpose of electing officers and formulating a definite policy. At this meeting Earl Elliott was chosen to be the ASSOCIATION'S first president. A vice-president, secretary-treasurer, college commission representative, sergeant-at-arms, reporter and three executive committee members were also elected.

The VETERANS' ASSOCIATION was created with a two-fold purpose in view: "First, it shall aid all veterans, who are enrolled at S.F.A., in a complete rehabilitation program; and, second, it will enable the college veterans to gather together socially and culturally to promote good will and the general welfare of this group."

During the brief period, since its formation, the ASSOCIATION has become one of the most active clubs on the campus. Plans have been made and inaugurated to cope with the more pressing problems facing the ex-GI's—inadequate housing facilities, high costs of living, and rehabilitation difficulties. And, in carrying out this tremendous undertaking, the combined efforts of every veteran have been fully utilized—"One for all and all for one." E. W. Gaston, Reporter.

Officers of the VETERANS' ASSOCIATION OF S.F.A. pictured here are: (Top Row, Left to Right), Burney E. LUMBERJACKS WIN NINE POINTS TO COP 6TH PLACE IN FORT WORTH MEET

Lumberjack thinly-clads returned from Fort Worth with nine points of the college division tucked away for the records, the small squad taking one first, one second and a fourth in the Fat Stock Show track meet.

Berton Yates, former Lone Star record holder in the broad jump and competing for the first time since returning from armed service, leaped 22' 3" to take a first in his specialty. His effort was a foot farther than his nearest competitor.

Jack Yeoman placed fourth in the 100-yard dash; Bill Parrish took a second in the high jump event with a 5' 8 $\frac{3}{4}$ " leap.

Stephen F. Austin's nine points was sixth in the meet, ahead of the University of Houston with 8 points and Sam Houston with 6.
